12:20- 12:40 PM Committee Updates

<i>Committee</i>	<i>Members</i>	<i>Updates</i>
------------------	----------------	----------------

Admissions	Chris Carpenter Sharanya Dutta Christian Lewis Emily Price Sophie Riemenschneider	No updates. When can we get an approximate timeline for when the work begins? (Sharanya--since I'm not here during winter break, I'd like to know if working remotely is alright)
Alumni	Stefano Morello Queenie Sukhadia	No updates. where can I find information about alumni so that I can contact folks and update profiles on our ESA page? I'm particularly interested in profiling folks who are working at the intersection of academia and external publics/doing more public-facing work
Co-Chair	William Arguelles Genevieve Bettendorf Christina Katopodis	See Above.
Conference	Jessica Lugo Jesse Rice-Evans	Currently trying to get our conference website up and running; we'll be attempting to send out a CFP early in November so first years can keep us in mind while they write their final papers.
Course Assessment	Onur Ayaz Sharanya Dutta Beth Sherman Olivia Wood	No updates.
Curriculum	Michele Chinitz Eric Dean Wilson	Curriculum committee meets on October 25 in closed and open door blocks. On the table are first-year exam and course planning for fall 2020. More to discuss at ESA meeting.
Diversity	Jacob Aplaca Shoumik Bhattacharya Filipa Calado Miranda Hajduk Daniel Hengel Jessica Lugo	Student-side Diversity will be meeting on October 24th to work on our application for a GC doctoral enhancement grant. The grant turned out to be more than we were planning to ask for, so our current strategy is to propose the additional available funds to gather guest

		speakers for our 2020-1 recruitment events. No idea how any of this is going to pan out so I'm hoping someone from Diversity can make it to ESA to talk about whatever we did the previous night. Faculty-side Diversity will have a meeting on 10/25 after the program curriculum meeting. We need a faculty sponsor to apply for the doctoral enhancement grant and will probably try to grab a volunteer then. (Note from Jessica: Sorry I can't be there this time! I teach Friday mornings and this one was too early for me. :(I'll see you later in the afternoon!)
Editorial	Miranda Hajduk Queenie Sukhadia Eric Dean Wilson Olivia Wood	No updates
Elections	Bradley Nelson	No updates
Executive	Jacob Aplaca Filipa Calado	See above
Faculty Membership	Shoumik Bhattacharya Stefano Morello	No Updates. Committee didn't meet in October.
Friday Forum	Chris Carpenter Jason Nielsen	Checking in with Kandice soon about spring friday forum form going out -- and to see what's already confirmed (ESA conf, anything else). Update: Kandice will sent out FF form for spring on Monday, Oct 28th, I believe. More info soon.
Library/ Lounge	Onur Ayaz Stefano Morello	No updates -- the Co-Chairs kind of took over while we were dealing with life. Still trying to pressure Ray into installing storage units before we get the library up and running again but it's looking less and less likely. So we might as well do our thing.
Placement	Bradley Nelson	No updates.

	Mikey Rumore Robert Yates	
Recruitment	Daniel Hengel Maxine Krenzel	
Website	Jojo Karlin Ryan Vera	

12:40-12:50 PM Discussion and Vote on the Proposed Representation System for the ESA
